Editor's letter

Everyone loves puppies, don't they? We've got some cracking examples of the pink-nosed variety lined up for you this month, too! Conny, Daisy, the all too appropriately named Charley, Victoria, Aria and Shyla – they've all got the sort of funbags a guy could happily lose himself in for a month, which is just as well, given that that's exactly how long you've got to enjoy this issue of *Men Only* before the next one comes along! And just to prove we're not just one trick ponies, we've also got the ultra-cute Cindy and Monica on hand for those of you who prefer a more streamlined look. Personally I'd take any of them happily enough, although maybe that's just me being a tart...

Spunk Mail

As ever our mail sack's been bulging again this month. Michelle's picked out her faves, and here they are…

Dear Michelle,

What a fantastic way to kick of volume 77. Charmaine Sinclair – wow-eee! I looked closely to see if she's had any bodywork done, and as far as I could see she hadn't, although to be honest I couldn't really care less – this stunning lady looked as gorgeous and delicious as ever. Robert De Niro, you're an idiot!

I also loved the pictures of Lucy on pages 76-81 in her stockings and suspenders, topped off with her matching red hair above and below. Knock out stuff – it's always nice to see a proper ginger minge from time to time! I also adored Sophia in her classy lingerie. This is why I've always been a Paul Raymond customer – you've always known what the customer wants!

Good to hear that Joanie Allum's still with us, by the way!
Graham, Cornwall.

Dear Michelle,

I've been a fan of Charmaine Sinclair's for just about as long as I've been interested in sex, so imagine my delight when I found out a brand new set of her was going to be appearing in *Men Only* 77.01! To be honest I thought it was going to be some sort of swizz, but just in case I kept a close eye on the top shelf of my local newsagents until, lo and behold, the issue in question finally appeared! I didn't waste much time in getting that one home, I can tell you – and was it worth the wait? You bet! Charmaine looks easily as sexy as she always did – in fact I think in many ways I prefer her now that she's got a bit of a MILFy thing going on. Not that MILF does her justice – more like MI really really really LF!

Hats off to *Men Only* for featuring this top shelf legend doing what she does best again after all this time! Let's hope we don't have to wait another 14 years before we see her again!
Toby, Norfolk.

Michelle says: Thanks to everyone who wrote in about Charmaine! You weren't the only ones to get a real thrill out of seeing her again after all this time, and yes, I hope there'll be plenty more to come in the not too distant future!

CHARM'ED, WE'RE SURE!

Dear Michelle,

A short while ago I split up from my wife of several years and while we were sorting out who got what in the divorce settlement I went to stay with my sister. She's a few years younger than me and was sharing a flat with one of her old friends, Jenny. I'd known Jenny for quite a while and I have to admit I always had the hots for her. She was a lovely little blonde thing and although I'd never had the pleasure, plenty of lads I knew had and she'd got herself a bit of a reputation as one of the best shags in town.

Now naturally having just come out of a failed marriage my emotions had gone to pot and I didn't want to get into another relationship too quickly, but things didn't quite work out that way.

I should have realised earlier how much Jenny was flirting with me but it wasn't until I was left alone in the flat with her one weekend that I saw what was going on. My sister had gone away to visit her boyfriend's parents and when I came home from work on the Friday evening I found Jenny, clad in just her underwear, lying on the sofa. At first I did the decent thing and tried not to stare but she had such a cracking body I just couldn't help myself. Then, to my utter dismay, she opened her eyes and clocked me looking at her.

"What are you gawping at you dirty pervert?" she said. I was mortified, but then she grinned and placed her hand between her legs and stroked the front of her tiny black thong at the same time.

Frankly I was speechless, but I knew the growing bulge in my trousers was probably doing the talking for me.

Jenny noticed it too, and responded by putting her hand inside her knickers and giving herself a blatant rub.

"Mmmm," she groaned, "I can't do this by myself, fancy giving me a hand?"

I've never been one to look a gift horse in the mouth, and so within seconds I was frantically stripping off while Jenny peeled off her thong, ran it under her nose and then casually flicked it at me. She spread her legs and I could see she had a completely shaven snatch, and it was glistening with her juices.

Going head-first my tongue eagerly sought out her slit, and when I tasted her juices I was in ecstasy. Jenny pulled my head against her smooth mound and begged for me to pleasure her pussy. I did just that, running my tongue all over her pink folds, paying particular attention to her clit. She ground her pelvic area hard against my mouth and, while I would have appreciated coming up for a bit of air, she made me lick her out for a good 20 minutes before she had her first climax.

What a cracking way to kick of the latest issue of the nation's longest-standing top shelf magazine! Aria is, of course, a legend in the industry, who's probably been responsible for the spilling of more seed during her career than just about any model I can think of. in fact if I were given back all the hours I've spent lusting over her perfect form, I couldn't think of anything I'd rather do with them than re-spend them lusting over her form all over again! True to her Italian roots we shot this set of her in the gardens of a beautiful Tuscan villa, which means that these very pictures come about as close to portraying paradise on Earth as you're ever likely to get. If there really is a heaven, it'd have to be going some to get any better than this!

Men Only TOY OF THE MONTH

PIPEDREAM EXTREME DEEP THROAT MASTURBATION STATION
Lovehoney.co.uk
£269.99

We've seen plenty of creepy looking sex toys over the years, but there's something about the Deep Throat Masturbation Station that really wigged us out. It is, basically, the disembodied head of a sex doll which you can, umm, attach to the wall of your shower and prong.

To be fair, the FantaFlesh feel is a pretty good approximation of real flesh, but then really that just makes it all the more weird. And yes, the ribbed oral cavity does offer a snug home for your old man, but let's face it, the thought of having some woman's head stuck to the inside of your shower, like some sort of moose you've shot, really shouldn't appeal, should it?

As you can see, you can get a blonde one or a brunette one, and while the girls' faces are in theory pretty enough, there's something about the brow that makes them look a wee bit Neanderthal. But hey – if you've got £270 burning a hole in your pocket, don't let us stop you!

PIPEDREAM EXTREME
Fuck My Face!
MEGA MASTURBATOR

I have never heard a girl make sounds like Jenny did as I brought her off with my tongue. She moaned and she screamed as her body jerked out of control. When I finally pulled my face away from her sopping wet snatch I was gasping for air, but my cock was gasping for something else – it wanted to get inside her. As soon as I pressed my knob against her slit my whole length slipped in with great ease because her pussy hole was so wet. When I was sunk to the hilt she clamped her legs around the back of mine and I began to thrust. Up until this point we hadn't actually kissed but now we were face to face Jenny tongued me with vigour, lapping up the taste of her own juices which wasn't just confined to my mouth. She even commented on how good she tasted which turned me on as I continued to pump in and out of her sodden hole.

Wanting to slow down my fuck strokes I raised myself up on my arms and decreased the pace but she wriggled free and turned over, raising her cute little behind up in the air and asked to be done from behind. I obliged and took great pleasure in grabbing hold of her tiny waist and delivering the deepest of fuck strokes. It didn't take long before my powerful thrusts ignited another climax and the series of assorted noises ensued again.

Jenny tried to stifle her wails by pushing her face against the cushion but my fucking was relentless. She was screaming out my name among other obscenities as I pounded away. When her second orgasm had finally subsided she pulled herself away from me again and told me to lie on my back. I did as she said and watched with glee as she eagerly straddled my cock and slowly lowered herself on to it. Watching the expression on her face as her pussy engulfed my stiff prick inch-by-inch was priceless. I don't think I'd ever seen a girl look so satisfied in my life – at least my wife had never looked as pleased!

With Jenny on top of me I reached up and grabbed her small, pert breasts. They weren't particularly a handful but her bullet–like nipples made up for that. I tweaked them between my thumbs and fingertips as she rode me. She just looked down on me, mouthing

RUSSIAN ABOUT...

Russian films don't always offer the most uplifting of experiences – all the ones we've seen tend to be a bit on the glum side, to say the least – but here's something altogether more rousing for fans of epic swordplay flicks! It tells the tale of a Alexander Nevsky, who was a prince of Novgorod in the 13th Century and who, thanks to his knack of winning battles, helped turn Russia into one of the region's powerhouses. Stirring stuff for historical buffs, or just a crunchingly engaging and thoughtful actioner for the rest of us! Oh, and we've got 5 copies to give away! Just tell us the name of Russia's Prime Minister and send your answers to MO's Alexander Comp at the usual address, or email menonly@paulraymond.com by March 9th 2012.

obscenely at me to thrust upwards as hard as I could. I did my utmost to give her exactly what she was after!

SOPHIA KNIGHT'S ALRIGHT…

Then I felt my balls welling up; I wouldn't be able to hold it for much longer and her frantic rocking certainly didn't slow things down either! A few more deep strokes and that was it for me, my body froze and a gush of hot thick semen filled her boiling cunt. She kept wiggling her hips in order to extract every last drop of juice out of my balls, but I was well and truly spent.

Except to nip out for some supplies, we didn't leave the flat that weekend and six months down the line my sister is now moving out to move in with her new fella, so Jenny and I can continue to co-habit in kinky comfort!

Alec, Stroud.

Dear Michelle,

I've seen countless pairs of wonderful boobs in *Men Only* over the years, but at the moment I can't stop thinking about the ones on the front of Jamie, who appears in your latest issue (77.01). They remind me a little bit of *Men Only* regular Chiquita's, although if possible I like Jamie's even more!

It would be fantastic if you could shoot a set featuring both of these girls together, so I can have a proper look and decide once and for all who had the best knockers. I know it'd be a hard job, but I think I'm man enough to take it on!

Nick, Bedford.

Michelle says: Don't know if we'll be able to shoot the girls together, but here's both of their boobs for you, so what do you think…?

Dear Michelle,

Thank goodness you've finally got round to featuring the delectable Scottish babe Sophia Knight again! For me she's definitely one of the hottest new faces you've features in the last year or so, but I was starting to despair of ever seeing her again! I love that full page picture you had of her on pages 16-17, with that beautiful pussy of hers on full show! What a perfect specimen!

According to all the news I've read recently, 2012's shaping up to be even crappier than 2011, so please, please *Men Only* can you try to compensate for this by giving us a lot more of Sophia this year than you did last year!

Jon, Dundee.

Michelle says: Ah yes, I'm not sure quite what the Ed was thinking about there going so long without featuring Sophia, but he promises me he'll do his best to make sure it won't happen again!

Come on – what are you waiting for?!

Gemma's engaged… with her fiancé and her mate!

My best friend Jenny and I share most things, but the one thing I never thought I would find myself sharing with her is my boyfriend Pete.

It's not like I am prudish or haven't sometimes questioned my sexuality, it's just that Pete is special and I want to keep him exclusively mine. So when he asked me to marry him I was so overwhelmed, that in a fit of madness I offered to make his greatest sexual fantasy come true. Or to try to, because it wasn't just up to me. I knew full well he was mad for a threesome.

We had joked about it for ages, ever since the time he was so drunk that he confessed his secret fantasy about having a sex session with me and another girl, and in the midst of our love-making we often closed our eyes and pretended that there was another girl present in the bed. It added a certain edge that I really liked, but jealousy had prevented me from ever taking it any further.

So when I promised to make it happen the next weekend, just in time for Pete's birthday, he became very aroused which resulted in our having the most terrific sex that night. The idea of asking Jenny to participate seemed like the best idea, and luckily Jenny was more than agreeable.

Perhaps the biggest thrill for me was that Jenny was into girl sex, something which I had fantasised about years. It felt great to have it out in the open and we agreed to spend some special time together before Pete's party so we would be comfortable together. On the evening in question we were initially a bit shy with one another, exploring each other almost gingerly and kissing deeply with a ferocity of passion which I think shocked us both. Certainly I had never had feelings so intense for any other female.

On Pete's birthday night we met with some friends at our local pub, but when it came to club time Pete, Jenny and I went back to Pete's flat to give him his present. The celebratory drinks we had just downed served to relax us and we were in a festive mood as we made our way to the bedroom.

Pete's place is a real "lad pad" with a king-

"My body felt on fire as Pete's hands ran down my body and played with my pussy…"

sized bed, so we all three bundled on. There was a brief moment of awkwardness as we scrambled to strip down to our underwear, but amid the tangle of clothing and limbs our bodies touched and an air of sensuality pervaded our surroundings.

Pete lay between Jenny and me, kissing us both by turn as we stroked his cock and fondled his balls. We also leant across his torso kissing one another while Pete played with our breasts, gently pulling and twiddling our nipples.

My body felt on fire as Pete's hands ran down my belly and began playing with my pussy. Leaving Jenny to wank his straining cock, I ran my hands over Jenny's buttocks and slid them between her legs. Holding her labia apart, I began sliding my finger in and out of her pussy as Pete did the same to me. My fingers slid between her warm wet folds, gliding over her clit as Pete did the same for me, moaning all the while as Jenny grasped and stroked his rod.

We were all panting with pleasure as Jenny and I came together, giggling and gasping with pleasure as we lay back against the pillows. Pete was panting from the exertion of holding back and he quickly rolled on-top of Jenny, and slid his cock inside her.

I felt displaced and a little sad until Jenny asked me to sit on her face so she could tongue me. As I moved astride her face I could feel Pete's thrusts each time he slammed home inside her pussy. It was incredible, and when he began to lap at my ring I felt my pussy tighten and started to come on Jenny's mouth. She squirmed beneath me, coming on my boyfriend's cock as she bucked beneath me. Once again we rolled apart, feeling sated after our orgasms.

This time Pete almost lost control but just managed to hold back, and then he asked Jenny to lie on her back and positioned me on my hands and knees facing Jenny's pussy. Then he moved behind me, grasping my buttocks and nudging his cock against my wet pussy.

"Lick Jenny, please," Pete whispered in my ear, and as I bent down to do so he pushed his cock deep inside my pussy and began fucking me. In and out he rammed his cock slow and hard, pushing it in to the hilt with each thrust. My pussy quivered, gripping his shaft as his cock slammed into and filled my pussy. I dropped my head and began licking Jenny's pussy as hard as I could. Holding her silky labia apart I tongued her sweet pink depths. Scooping out her delicious pussy juice I teased her sensitive slit, making her thrust her hips as I pleasured her.

It was the most extreme form of pleasure I had ever experienced, and I savoured every second of it, enjoying the fact that I could give pleasure at the same time as receiving it. Pete groaned as he reamed me from behind, and as his hands grasped my hips his thrusts came harder and faster. Jenny was also loving it and she reached up and began playing with my tits as I switched from using my tongue for my fingers.

I began frigging her in time with Pete's thrusts, making her squeal. Just then, Pete slowed down almost to a stop, before suddenly slamming back inside me and blowing his load deep inside my pussy. As I came I pinched Jenny's clit and she began coming again too, her pussy squirting her juices while my pussy clenched and milked Pete's cock.

When we were all spent, we lay back together stroking and petting one another, babbling in our excitement as we set up another date for the next weekend, and it's been a bit of a regular thing ever since...

In this Diamond Jubilee year we couldn't help wondering if the delicious Victoria had been named after the only other Queen to have celebrated such a length of time on the throne, and it turns out she was, in a roundabout sort of way…

"The story I've always been told is that I was conceived at Victoria station! I don't know whether it's just my parents winding me up, but I gather Mum was a bit wild in her younger days – so it could be true!"

Less experienced models can sometimes be a bit on the coy side when it comes to showing of their bits and pieces, but there was not hint of that when Monica here breezed into the studio and asked us if we were ready for her. We thought she was talking about the lighting and stuff – which were all set up and ready – but from the way she set about peeling off and playing with herself for the camera, it was soon clear that it was really us she was asking about! To be honest we weren't quite ready for the sort of horny display she treated us to – the way the filthy little minx kept shoving her juicy fanny in our direction and rubbing it was pretty full-on! Thankfully our snapper managed to capture it all for posterity, although frankly it'll be firmly imprinted on my memory for many moons to come anyway!

Interview

Missy Monroe

American porn sensation Missy Monroe is upset today. She walks in for our interview, clearly distressed over something that occurred on set. You see Missy squirts when she comes. And she comes especially hard when she gets a stiff dick up her wazoo. Sometimes this can be a good thing, but porn directors don't necessarily want to turn every fuck scene into a squirting scene, and Missy is asked to behave herself. But the girl can't help it. Yesterday she was scolded by yet another director. Her orgasm drenched the set couch, the co-star and the nearby production assistant in juices and she was sent home early. Missy just can't help it!

"I try so hard to come normally", she complains as she sits down, "but I simply don't know how. I actually ejaculate. I have a very nice orgasm. I'm happy that it happens. If you don't want that, don't hire me. What's so wrong about a porn star having intense squirting orgasms?"

This will prove to be an interesting interview, I think to myself.

Born in Las Vegas, Nevada, 5'6" Missy was an 18 year old stripper who was sent packing the day the obscenity laws changed and girls under 21 were no longer allowed to dance topless. She entered porn by way of nude photo shoots and softcore girl-girl layouts.

"It was wild times. Before I moved to Los Angeles I had a boyfriend but he didn't know I was doing softcore, and eventually, boy/girl hardcore. I was being very naughty on the side – very naughty!"

Back then she was known as Missy Marie, but a trip to the hair salon rendered her with platinum blonde hair, and Missy Monroe was born. But it was her multi-orgasmic squirting performances and up-for-anything attitude, rather than her looks, that got her in the door in the jizz biz.

Tell us about how you lost your virginity.
"Well, I started giving blow-jobs to the boy next door when I was in school. He was on the baseball team at the high school I went to. I swallowed his come and everything. I thought it was incredibly exciting. I even told my mom. She was cool about it and made sure I got birth control pills, just in case. It turned into a full-blown sexual relationship shortly after that. He was basically my only steady boyfriend, pre-porn."

How about the non-steady ones?
"I had my fun. By the time I graduated high school I had probably had about 150 guys. I fucked all of the football teams. That was my thing. I was quite popular with the boys because I had nice big tits already in 6th grade."

How did you learn to squirt like a fire hydrant?
"It happened by accident when I was 17. It was such a strange feeling. I had the best orgasm of my life, I squirted everywhere, and my boyfriend jumped off of me and shrieked, 'Oh my God, oh my god! That was gross! You just pissed all over me!' I had a complex about it for a very long time. So eventually I called up my mom and told her. She's just said, 'Honey, it must run in the family'. I felt better hearing that. Then I did a photo shoot and I squirted right there in the studio. The photographer was stunned. He thought it was incredibly cool and told me he had never seen a model do anything like it during his 20 years in the business. It made me feel that maybe I can do something profitable with it."

So Missy kissed her squirtophobic boyfriend goodbye and moved to California, where she

"I love come so much. I just lie there on the floor with my eyes closed and let everybody drench me in sperm!"

straight away found herself an agent and her first XXX movie role, in *Filthy First Timers 35*. Plenty more followed, and today she keeps herself nice and busy starring in the occasional feature and a plethora of bukkake movies.

"I favour bukkakes", she says with a content smile. "I love come so much. I just lie there on the floor with my eyes closed and let everybody drench me in sperm!"

Who comes in your face off camera these days?
"No-one, really. I date a little bit, not nearly enough though. But since I do all the really crazy stuff on film, like 52 man blow-jobs and the all-anal stuff, I'm quite worn out and content by the time I get off work. But I like to go out and party. I party a lot."

So supportive is Missy's family about her new career, that her father, a truck driver for the Salvation Army, accompanies her to porn conventions and autograph signings.

"Daddy had a friend who subscribed to a porn magazine. The friend saw my pictures, and handed the magazine to my father. It was quite a shock for him seeing daddy's little girl naked in compromising situations. But now, a few years into my career, both my parents are very proud of me."

Missy has undergone quite the transformation since her start, she is now a dark-haired beauty and the 40-something extra pounds of baby fat she carried in the beginning are gone. Sleek and slender at 120 pounds, Missy says she won't resort to plastic surgery ever. She has apparently taken fashion tips from fellow starlet Katja Kassin, since she sports fishnet stockings in every colour imaginable in most of her sex scenes.

"I don't think my fans care so much about my looks as they do about my ability to stretch my anus, to tell you the truth!" she says somewhat contentedly. "And my mission is to give my fans what they want."

What's the weirdest sex scene you have ever done?
"They are all weird!" She says and lets out a heartfelt giggle. "But I've sucked and fucked a midget. In a threesome, nonetheless. Not many people can say that!"

Hmm, bathtime with Shyla Stylez – how much fun does that look?! Quite! The top-heavy temptress looks like the perfect companion for a soapy snuggle, doesn't she? I don't know about you, but I was brought up in the generation that was lead to believe that just having a bottle of Matey in the tub with you was 'Good for a laugh', but I think, on reflection, that I'd rather have Shyla in there with me!

Then again, it's hard enough getting out after a good soak as it is, but if I had Shyla to hand to rub my back and jiggle those massive boobs of hers in my face, I don't suppose I'd ever want to get out again. Bad news for the blurbs on *Men Only*, perhaps *(and perhaps not! – Ed.)* – but what a perfect way to spend the rest of my days!

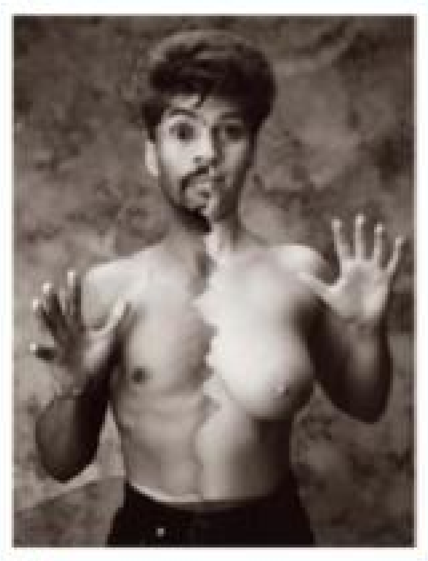
A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

WHAT STOPPED US FROM WORKING THIS MONTH...

Lovers Smashed Together
http://www.bobbyneeladams.com/couples.html

Many couples have at one time or another wondered what they would look like if the husband/boyfriend and the wife/girlfriend smashed into each other so hard that they essentially bonded and became the man down one side and the woman down the other.



Well OK, perhaps they haven't. But photographer Bobby Neel Adams plainly has, because he has uploaded a whole online gallery of such pictures with which to distress the public.

Track The GPS Of Any Mobile... Or Not
http://www.themobiletracker.com

Want to catch cheating spouses or lovers? Find out where whoever nicked your mobile stashed it? Then you need to hurry along to a wonderfully technical-looking site which promises to track the exact present position, down to a radius of a mere few yards, of any mobile. Just punch the number in and watch the Google Maps style interface home in on it. I was gobsmacked at its speed and accuracy as the aerial views refreshed... only to resolve, ultimately, to the interior of a house where a couple (could one of them be your wife?) are having it off in a bath.

Yes, it's a spoof. But an exceptionally clever and convincing one. It certainly had me going for a minute.

Tiny Houses Made From Dust and Fluff
http://mocoloco.com/art/archives/001661.php

Former house cleaner Maria Adelaida Lopez, a native of Columbia, where dust – and powder – are national exports, showcases her artwork on this interior design site: that's right, tiny houses made of fluff and dust and bits and pieces of stuff she found lurking in her navel when she took off her sweater. Maria, who moved to Philadelphia to pursue a Master's degree in art (and not to escape the cartels) is currently an artist in Miami. She no longer cleans for other people, but fans regularly gift her their filled disposable hoover cleaner bags.

The Infinite Cat Project
http://www.infinitecat.com/

The Infinite Cat Project is about one cat watching another on a PC monitor. The cat on the PC monitor is watching another cat on another PC monitor. And so on... "hopefully" according to the loons who set up the site, to infinity. Never mind, they say, that so far the photographic illusion is only 1724 cats deep. Photoshop their latest home page pic onto a PC monitor, take a photo of your moggy gazing at it and send us a jpg image of it, they say. We will get there. As Buzz Lightyear of *Toy Story* used to say: "To infinity... and beyond!"

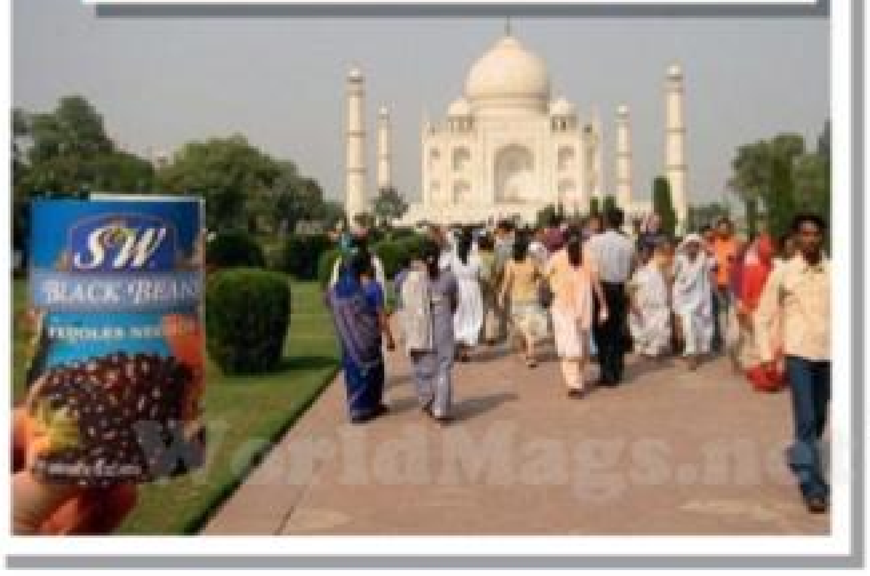
On the home page the webmasters encourage you to "Click here for a good time", which may be stating the case for the site's amusement value a little too strongly.

This said: Looking at cats looking at cats looking at cats... From a philosophical standpoint the concept is mindblowing. And that's not even taking String Theory into account and the probable fact that we (and therefore also the cats) reside in a multiverse, which means that each cat considered by itself is only one potential version of that cat in an infinite number of universes. Oh, bugger it – am I the only version of myself who follows TV's *Fringe*?

A Can Of Black Beans Tours The World
http://www.beans-around-the-world.com

"Who says that you shouldn't play with your food?" asks the suspiciously euphoric Kevin, self-aggrandising webmaster of what must be the Internet's largest and longest-running site for and about people with absolutely no lives whatsoever.

Beans Around The World
London, England



Here's the idea behind the site. For a decade and a half a can of black beans has been included in photographs taken all over the world.

Yes, that's it. What's supposedly marvellous and allegedly hilarious is that this very same tin of beans, purchased in the 1990s in a seven-eleven, has been pictured in the foreground of shots of famous places from Mount Rushmore to Buckingham Palace to The Great Wall of China, as well as in almost every one-horse town in the world.

"Bigger... Better... Beanier!" goes the meaningless site logo slogan.

Kevin – who is middle-aged now – explains that it all started with a friend at work who forgot some black beans in Kevin's car, and the global black bean tour of the world project "began as a kind of private joke". Unfortunately, the joke still appears to remain private.

Kev explains as much as he can without compromising the big funny secret: "For the past 16 years, the beans have travelled the world, picking up new experiences, new knowledge, and making tons of new friends. But beyond that, they've shown the world that there is a common link between us all, even if it is just a 15 ounce can of frijoles – and a sense of humour."

Frankly, this URL constitutes an argument for regulating the Internet... if only to keep people like Kev and his sad mates off it. Plus, if any cops are reading this you might like to lie in wait for the gang when they sneak into America's cemeteries and – to fill up their section "Beans Around The Graveyard" photograph the tedious tin – on people's loved ones' graves.

SHAFTA

THE GOLD RUSH

Films have the Oscars and the BAFTAs, plays have the Tonys and their Oliviers, but what about the humble grot merchants? Well, Stateside they've got the AVNs to justify an annual back-slapathon, while here in Blighty we've got the Shaftas - and they're on their way again, folks...

That's right, Shafta season is upon us again, with nominations having been made for all sorts of categories in home-grown grot! Sadly there's no prize for best magazine (kind of goes without saying who'd win that one), but the Television X-led awards like to dish out plenty of trophies to performers and shows that have kept their viewers tugging over the last year, and this year Paul Raymond Publications are sponsoring a category – Best Reality/Gonzo series. OK, there's not really that much 'reality' about them – basically the it's for series that don't have scripts, which is always a good thing when it comes to bongo flicks!

Series nominated for the Gonzo gong are: Freddie's Tattooed Tarts, How To Train Your Wife, Jim Slip's Euroteens, Liselle's Sordid Summer and Tanya Tate's Sex Tour of Scotland, and from where we're sitting you'd be hard put to slip a fag paper between them!

The ceremony itself will be held on March 15th, so you've got plenty of time to vote, which you can do by heading over to **www.shafta.xxx**.

MO readers should be familiar with some of the nominees for Best Female Performer, with the likes of Syren Sexton and Megan Coxxx battling it out with Angel Long, Michelle Moist and Stacey Lacey. We'll let you know in a couple of months who won, but don't forget, you can vote yourself and make sure your fave pornsters get the recognition they deserve!

Can you train your wife to do this, eh?

Paige Turnah's up for New Starlet – and most other things!

Angel Long – on all fours again.

Conny

Photos: Steve Colby

Well look, if it isn't another fabulous rack brought to you by this month's *Men Only* magazine! Fresh-faced Conny's fuelled many a moment of quiet contemplation since we first clocked her a couple of years back, and here she is again spreading her own special kind of magic – not to mention her shapely thighs!

It's all a very long way away from her day job, which is being all respectable as a dental nurse. We're not telling you where, though – it's hard enough trying to sign up to a new dental practice as it is, but if we let the cat out of the bag with Conny there'd be queues round the block for weeks to come!

Got a filthy adventure you'd like to relate? If so, why not drop us a line at Men Only, Paul Raymond Publications, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email menonly@paulraymond.com)?

WEDDED BLISS

I couldn't believe my eyes when I spotted Kayla at the church. It was years since I'd seen her and I had no idea Helen had invited her to our wedding. Granted, I hadn't taken as much interest in the guestlist as I should have, but Kayla's appearance totally freaked me out. Long before Helen and I started dating, I had a 'thing' with her flatmate Kayla. We never got together properly – we just loved to fuck. We would meet up at all times of the day and night to screw each other's brains out. At the time Kayla was actually engaged to someone else, so we made a pact to keep our dirty secret to ourselves. We eventually decided to call it a day when she got married and moved away. I knew she'd kept her side of the bargain because her friend Helen never brought up the subject when I started going out with her. At first I felt like a right stud, fucking one flatmate then moving onto the other. But when things got serious with Helen and me, I started to forget about the past – although I've got to admit I've had one or two wanks over the years, remembering what a good shag Kayla was.

So I was understandably taken aback when I saw the woman herself with her husband at my wedding. But I had so many other things to think about that there wasn't time to do anything about it until the reception when we bumped into each other. Kayla looked absolutely gorgeous, she'd hardly changed since the last time I saw her and was equally as friendly. Seeing her was such a blast from the past and when we talked I couldn't help visualising her great tits beneath her clothing. She was wearing a short, tight dress, which clung to her curves and showed off her long legs. As we joked, she leaned closer and I wasn't sure if I was just imagining she was rubbing herself against me. Helen soon wandered over and hugged her old friend, and I cringed with guilt as she said how pleased she was Kayla could make it. I became even more uncomfortable when my wife suggested Kayla and her husband join us at the family table during the meal. I couldn't take my eyes off her as she sat opposite me,

> "She tore down her knickers, opening her legs so I had access to her damp pussy."

chatting to her husband and our other guests.

Despite the fact that it was my wedding to someone else, I craved Kayla's attention and almost felt jealous when I saw how happily married she seemed to be. But I found out she was the same old Kayla when she slyly blew me a kiss, when nobody was watching. Later, as the speeches got underway, I felt her stocking clad foot stroking my lower leg. My cheeks flushed with excitement and as I tried desperately to disguise my arousal, Kayla's toes crept further up the inside of my thigh. I glanced at her over the table and she smiled before gently stroking my growing cock with one toe. I responded by slipping my shoe off and easing my foot up her skirt. She closed her eyes as I rubbed my toe against her fanny. At one point I even saw Helen smile at her friend as she teased my prick and I wriggled my toe against her clit.

I know it sounds terrible, but I really got off on the whole situation. When the formalities were finally out of the way, I nipped to the loos – keen to cool down after the frantic footsie playing. But I wasn't alone for long because Kayla, clearly keen to finish what she'd started, followed me into the empty toilets and pushed me into a cubicle. Locking the door behind me, she forced me against the wall and kissed me passionately. "God it's been so long, Jamie. I've dreamt about taking your cock again for such a long time, let me give you one last screw as a wedding present," she whispered in my ear after hungrily licking my neck. In my wildest dreams I wouldn't have believed such a thing could happen – a married woman coming onto me at my own wedding! But I wasn't about to say no, especially when the woman in question was so fucking horny.

> "I slowly pushed against her back entrance until suddenly it gave way…"

I hitched up her dress and she desperately tore down her knickers, opening her legs so I had access to her damp pussy. Continuing to explore her mouth with my tongue, I eased a finger between the warm, wet lips of her once familiar slit. Kayla moaned quietly and I began rubbing her swollen clit. I worked my fingertip gently round and round her button before thrusting a couple of fingers deep inside her fanny. She started panting and I knew she was about to come when she began grinding down hard on my hand. She grabbed my arm to push my fingers deeper inside her as she helped to quickly bring herself off. Her snatch was wonderfully sticky and by then I was desperate to take her up on the offer of a fuck. I knew the toilets would be quiet for a little while longer because the meal was still being served so a quickie was what I wanted.

Kayla bent over the toilet, with her arse in the air – giving me access to both her holes. Her fanny looked inviting as it oozed with its creamy juices, but when I caught sight of her tight puckered arsehole I had another idea. "Let me screw your bum, Kayla, like I used to. Helen won't let me anywhere near her arse and I'd love to spunk in yours," I begged. I wasn't sure if I was pushing my luck but Kayla responded by pulling open her cheeks so I could see my way into her dark hole. I quickly spread some of her fanny juices into her little pink rose, feeling it loosen as I eased a finger inside. After a few seconds of relaxing her muscles, I nudged my throbbing hard-on against her entrance. I slowly pushed against her back entrance until suddenly it gave way, allowing my cock to ease into her anus – her sphincter keeping a wonderfully tight grip of my shaft. I fed my entire length into her bum until I felt my balls slap against Kayla's skin. The feeling of screwing her arse was so fucking good, I knew it would be just a matter of a few minutes before I shot my load. I grabbed hold of Kayla's swinging tits and used them to pull her closer to me as I began pounding away at her butt. Kayla always loved it up the arse and she bucked back hard, letting me bang her as hard as I could. I watched Kayla's round buttocks moving back and forth as I split them with my cock. Suddenly I heard someone enter the toilets and go into another cubicle. This somehow made the situation more horny and I felt my balls twitching with the spunk they were about to fire.

I covered Kayla's mouth with my hand, to make sure she didn't moan when I filled her arse with my jizz, and gave her one final thrust as my cock released its load. It seemed like I shot more come than ever before and my body jerked uncontrollably as the final streams squirted into Kayla's warm bum. She stood quietly, still skewered by my prick, until the other bloke left the loos, then collapsed on the floor in satisfaction. It wasn't until later in the evening that Kayla told me it was her husband who'd shared the toilets as I banged his wife. She'd noticed his shoes under the cubicle wall as she bent over to offer me her arse!

LESBI-AVING YOU!

When my housemate, Sally, announced that she had decided to become a lesbian, I wasn't too worried. Even though I wanted to shag her more than any girl I've ever met, I knew that her decision was actually likely to increase my chances with her. After all, this was the girl who picked through her lettuce leaves each evening – declaring that she was a steadfast vegetarian, yet had stolen my bacon roll as I cooked myself a Saturday morning fry-up.

"What's that wonderful smell?" she'd asked, padding into the shared kitchen. She was semi-naked and I had an urge to pin her fabulous body against the counter and do sordid things to it. The vegetarian diet and strict exercise regime had given her the kind of body that could easily grace the pages of *Men Only*. For added torture, she proceeded to do a warm-down routine in her little athletics shorts and top during which she assumed some cock-stretching positions – there's only one reason for a gorgeous babe to bend over, spread her legs wide and slide her hands down to her ankles as far as I'm concerned. Sally was looking at me in an expectant way. Could she tell that I'd been thinking of pulling her shorts down and completing her warm-down by stretching her pussy around my cock? Thin walls and adjoining rooms meant that I knew just how much she loved a nice cock inside her, for all her professions of lesbianism.

"She groaned as she dropped down, impaling herself on my pole."

"The coffee?" I nodded at the percolator bubbling away.

"No, it's this." She indicated my bacon, egg and tomato roll. She'd definitely worked-up an appetite from her run – and maybe shaken a screw loose. A vegetarian shouldn't be lusting over a bacon butty. I told her what was in it and jokingly offered it to her and watched in surprise as she took a bite – her first meat in years.

"Hey! That's my breakfast!" I protested as she wolfed down another mouthful and took the rest into the downstairs shower. That moment more than any other defined our relationship. I was her guilty secret; by making an extra bacon butty on Saturday mornings, I became her clandestine supplier of meaty treats. And that one shared secret led to others. That was why I calculated my chances of bedding Sally had increased when she swore-off men, declared lesbianism and started dating women. Sally didn't make a good lesbian – for a start she didn't seem to fancy women. I laughed at her when she told me that shortcoming as she sipped from my glass of wine – another naughty indulgence. She never had her own glass, yet I got through an extra half-bottle when she joined me for a chat.

"I mean, what do lesbians actually do – you know together?" she asked semi-seriously. I offered to lend her a couple of DVDs and kicked myself afterwards, thinking that I should have offered a joint-viewing in my room. Still, it was highly arousing just listening to her watch them.

"So – what did you think?"

"They were very... educational." Sally said carefully. "There are a few things in there that I'd like to, you know, try." And she did. She dated a very pretty girl and those things that I didn't hear through the thin walls, she'd tell me about on Saturday mornings.

"Well, I'm just going to go and have a wank," I announced after a particularly sordid revelation. "You can leave the washing-up." Sally sniggered as I extracted myself from the awkward rear bench and hobbled back to my room.

"Really? You're going to have a wank? Now?" Sally sounded genuinely shocked.

"Well, I don't think this is going to go away by itself," I said, indicating the bulge in my jeans and I saw the thoughtful look as she gazed at my crotch. We both knew what she wanted, the question was – would she crack again? Would the bacon-eating veggie give in to her cock-cravings? I was hopeful that she wouldn't be able to resist the thought of a ready-and-willing erection just waiting for her. "You can come and help if you want," I added casually, as though it was an afterthought.

"It felt and looked wonderful as Sally gazed up into my eyes and sucked."

She didn't follow straight away. I'd pulled-off my jeans and boxers by the time there was a soft knock. "It's Sally," she whispered unnecessarily. I opened the door and immediately clocked the uncertainty on her face. Lingering in the corridor, she had to steel herself for what was to come before finally stepping forward. Uncertainty became desire and hunger as she turned the key; her eyes never once strayed from my bobbing erection as she approached in a penile trance and dropped to her knees as though in worship.

"Can I... can I touch him?" she whispered.

"I'm sure he'd love that," I

replied, feeling a bit weird talking about my cock in the third person. That was all forgotten as Sally's hands closed around my flesh at long last. We both groaned at our first sexual contact.

"Hmmm... he feels lovely: big and hard."

"He's pleased to see you. Why don't you give him a little kiss?" For the first time since she came into the room, Sally's eyes flickered up to mine and she smiled. Then she kissed my cock, right on the sensitive tip. Her lips were soft but her tongue was hard and delightfully rough as it played across the underside of my cock and teased my pee-hole. It felt and looked wonderful as Sally gazed up into my eyes and sucked. A moment later, all I could see was the top of her head as she surged towards my belly, taking my cock deeply into her mouth. The sensation was exhilarating as she moved back and forth, giving me the most intense blow job of my life. Time and again she released my cock breathlessly, ribbons of saliva hanging between it and her lips before starting again.

"I want to feel him inside me," she announced as she sucked my cock clean. Pushing me back to the bed, she peeled-off those tight little running shorts. Her body was athletic without being too muscular and as I lay on the bed, she hurdled me and exposed the delicate little slit of her shaved pussy. I'd clocked the camel-toe outline on many occasions but naked, it was more inviting than I'd thought possible. Even as I marvelled at Sally's well-toned and carefully manicured crotch, it was dropping down to meet my cock. There was a moment of resistance as Sally guided it home and then it was sliding inside her. "Oh God, I've missed this," she groaned as she dropped down lower, impaling herself on my meaty pole. "There's no toy on Earth that can beat a nice big cock inside you."

My cock wasn't the only part of me to swell at her second use of the word 'big': my ego was doing high-fives.

Sally gripped her top in both hands and ripped it off over her head. I was truly dreaming now. The girl of my wank-fantasies was naked, bouncing happily on my cock. Her jiggling tits were bigger than I'd pictured – they must have been severely constricted in the close confines of her running top. A slightly sweaty vision of loveliness, Sally alternated between bouncing and rotating her hips, her skin glowing with desire. I was trying to fight the urge to come inside her as the soft slippery walls of her vagina teased me towards orgasm. She paused at the very bottom of a stroke and her internal muscles worked me like a velvet glove. Only as she released an enormous gasp of breath and steadied herself with a hand on my chest did I realise that she'd had a tightly-controlled orgasm. Thinking about her using that orgasmic-control whilst watching my lesbian DVDs and against her girlfriend's tongue and probing fingers, I just couldn't take it any more. "I'm going to come," I groaned and Sally practically leapt into the air.

"Don't you dare!" she cried and twirled round to suck on my cock again. The bonus with that manoeuvre was that not only was I having my cock sucked, but I was treated to a glorious view of her tight peach of an arse. I ran my hand up the back of her thighs and sank my fingers into her wet pussy, whilst my eyes examined the crinkly flesh of her exposed arsehole. It seemed to have fully recovered from the intense pounding it had taken from Sally's girlfriend, although it was apparently still too uncomfortable to sit on. It had been the story unravelling from that admission which had led to Sally now sucking my cock. With a happy sigh, I gave-in to Sally's oral ministrations and popped my nuts. I could almost feel her purring as I spat my spunky-payload into her mouth and she let my goo pool before sucking hard and swallowing it down. "Oh fuck, I've missed that – cock and cum: what a combination!"

> "I ran my hands up the back of her thighs and sank my fingers in her wet pussy."

Things moved pretty rapidly after that episode. Sally kept sneaking into my room and eventually dumped her girlfriend - although I made sure they stayed on good terms - and we got a place together so that I could indulge her need for meat whenever she felt like it. I don't want her to go back to her vegetarian ways but I wouldn't mind if she had to satisfy the odd pussy craving now and again.

Dave, Oxford.

"THE BEST BRITISH FILM OF THE YEAR"
"PADDY CONSIDINE HAS CREATED A WORK OF GENIUS"
TYRANNOSAUR

If you like to take your cue on British films from what's on at the multiplexes – or even what's ben nominated for a Bafta, they chances are you won't even have heard of this one. That's not to say it hasn't won many awards, mind – it's picked up loads from various film festivals round the globe, which makes its total omission from the Bafta nominations all the more baffling – it doesn't even get a nod in the Best British Film category! Perhaps it's a bit too glum or indie for the Academy, who seem to prefer trying to pre-empt the Oscars these days…

Anyway, the films stars Peter Mullan as the violent, alcoholic Joseph, whose life is going nowhere but downhill, fast, until he strikes up a friendship with charity-shop volunteer Hannah (a fantastic performance from *Peep Show*'s Olivia Coleman). So can this budding friendship turn his life around? Well, we don't want to spoil the ending for you, but let's just say this a gritty, bleak tale of life on the margins of society, and it certainly doesn't pull any of its numerous punches.

Written and directed by actor Paddy Considine (who, it seems from interviews, has a special reason for making a movie about domestic violence), this is one of the most memorable British films of the last year. Certainly not to everyone's tastes, though, and if you prefer your cinema trips or DVDs to offer a bit of innocent escapism from the troubles of everyday life, well you won't find any of that on offer here, pal!

Yes, it's a loopy title, but then Director Dario Argento could crank out loopily unsettling flicks with the best of them! *Four Flies* first hit the screens back in 1972, making this year its 40th Anniversary and giving Shameless the perfect excuse to dig it out and give it a re-issue. Moreover, it hasn't really been available for a generation anyway, making it one of the last great lost movies!

Michael Brandon stars as a drummer who's lead into a sinister plot involving blackmail and murder, and it's crammed full of typical Argent flourishes. Add music by the great Ennio Morricone and what's not to like?

To win one of 3 copies we've got on blu-ray, tell us which cop double act Brandon was part of in the 80s and send your answers to MO's Four Flies Comp at the usual address, or email menonly@paulraymond.com by March 9th.

We reviewed *The Exterminator* a couple of issues back, and in a way this 1977 flick has a lot in common with that title, which came out three years later. William Devane plays POW Charles Rane, who returns home after several years in a Vietnamese camp, but even that's not enough to prepare him for the horrors that await upon his return. As if finding his wife shacked up with another guy and his son not even recognising him any more weren't bad enough, a shocking crime soon pushes Rane right over the edge. Hooking up with ex-army pal Tommy Lee Jones, he sets about getting his own kind of justice on those who have robbed him of all he had left. While it's tinged with 70s pulp (Quentin Tarantino loves it, apparently), the script and performances mark this film out as being more than your typical revenge schlocker.

FINAL FANTASY XIII – 2

Square Enix - X360, PS3.

XBOX 360
FINAL FANTASY XIII-2

SQUARE ENIX

GAME
OF THE
MONTH

For a game with the word final in the title, *Final Fantasy* has sure had a lot of sequels! This one, as you might expect, is the follow up to *XIII*, but it's not – and here's the tricky thing – to be confused with *Final Fantasy XIV*, which came out a couple of years ago. OK, so once you've got your noddle round that little conundrum, what's the game actually like?

Well, you get to play Serah, who's the younger sister of *FFXIII*'s heroine Lightning, who's vanished off to a mysterious dimension, and there are plenty of other new characters on the scene who didn't appear in *XIII*, not least a traveller from the future with the rather disappointing name of Noel. Sadly, among the monsters you get to battle there isn't one that looks like Mr Blobby, but there are plenty of other fierce critters to be dispatched as you set about your quest, which is to track down Lightning and well, basically save the world!

If you've got the *FF* bug you'll love this addition – gameplay and graphics have been nicely uptweaked, and you'll be lost in this final fantasy for ages… or at least till the next one comes along.

Real Warfare II

Not sure how many squaddies out there would be too convinced by the claims of this series to represent real warfare, but I guess there's a chance that the 13th Century invasion of Prussia by the Teotonic Order really was something like it's portrayed in this real-time strategy offering from Lace Mamba. To be fair, nobody would every want to play a game that really was like medieval warfare (you'd probably get slaughtered almost instantly), so this beautifully realised alternative for the PC brigade is as close as you'd want to get. And at £25, it's a snip, too.

Rar! Good news for all those muscly-thumbed gamers out there who really like to thumb their opponents in the face as hard as they can – for the latest instalment of Ultimate Fighting Championship is about to hit the shops! it's had a pretty major overhaul since last year's outing, with loads of new features giving it a very fresh feel. When I tried it the new submission feature was particularly welcome, but hey, perhaps you're a bit handier with your first/thumbs than me…

KATWOMAN XXX

KATWOMAN XXX

Bluebird

CAST: Dylan Ryder, Anna Lovato, Gemma Massey, Natasha Marley, Kagney Linn Karter, Jennifer Dark, Andy San Dimas, Bridgette B, Lexi Swallow.

EDITOR'S CHOICE

Last year's Batman parody from Harmony was one of the more memorable releases of 2011, so in the true spirit of Hollywood it's only natural to expect a sequel hot on its heels! Once again impressively chested Dylan Ryder reprises her role (good – she was easily the horniest thing in the original) takes on the role of Katwoman, and she's hatched an evil plot to put poison in the city's milk supply. Her plan requires the help of Paul Chapman's Joker, too, which means Dylan has to spring him, along with his Joker-esque companion Gemma Massey. They also spring out the Joker's knob as the films first threesome gets the balls rolling properly, with Gemma slurping on Dylan's tits as Chapman prongs her from behind. Gemma gets a porking as well, the naughty girl, before they get a proper splashing off over.

Curiously Andy San Dimas finds herself transformed into Wonder Woman in the next scene, where she pairs up with British flamper Anna Lovato, Jennifer Dark and a brace of swordsman for a fiveway, all girls again taking a pronging (front door only, folks). More top notch British talent taking cock in the next, too, with Natasha Marley joining Bridgette and Kagney in pleasuring each other and The Joker, although curiously they seem to have left the green screen in the background. Still, the goings on in the foreground more than distract from that! There's plenty more to come, with a typical free-for-all at the end, so while this one doesn't quite match the fun of the original, this is still a lot more entertaining than your typical flick. **4/5** **Available at your local sex shop.**

ROCKY XXX
A Parody Thriller!
Will Ryder

ROCKY XXX

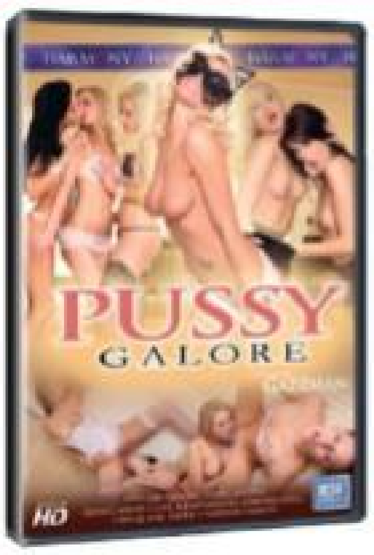
Adam & Eve

CAST: Andy San Dimas, Madison Ivy, Chastity Lynn, Lily LaBeau, Vanessa Naughty.

Ha-ha – this one's almost worth it for the cheesy synth version of 'Gotta Fly Now' behind the main menu, but, hey – this is a porno, so it'd be rude not to actually check out the action!

Anthony Rosano stars as the monosyllabic Rocky, with the ever tasty Andy San Dimas playing his girl. There's plenty of spiel at the start, mind, with Rocky wandering around trying to advance his stuttering career and falling out with his coach, until eventually he finds himself at home with Andy, and at last the gloves are off. Rocky's clearly more adept using his tongue to lick pussy tan he is using it to talk, and Andy's soon squirming around like a good 'un – but then they don't actually shag! Still, we soon cut to the next coupling, which is a lot more satisfactory, with Apollo Creed slipping a sizable black length to the curiously named Chastity. Some nice angles here, especially a cracking doggy-style POV before he splatters her mush with manfat.

Finally Rocky decides to get in shape, jogging round LA and sparring as if his life depended on it. Then there's actually a bit of boxing, with Rocky finally flooring Apollo, and then, for no apparent reason, it's time for Mr. T lookalike Tyler Knight to get in on the action. Thereafter the plot, as tends to be the way with these things, goes out of the window a bit, as the director realises he's getting a good way in to his budget and there' hasn't been too much nookie. Best of the remaining scenes probably involves a mid-ring (boxing ring, that is) dicking for Madison Ivy. it ticks plenty of boxes, with some great camerawork, and gave me the perfect opportunity to splash off one more time before Rocky clinches another bout and the credits rolled. **4/5**



PUSSY GALORE

Harmony

CAST: Shay Hendrix, Eufrat, Antonia, Bernice, Megan Coxxx, Aleska Diamond, Adrianna Rossi, Caprice Jane, Katie K, Viktoria Diamond.

I'm not sure why it's taken pornsters quite this long to name a film after Ian Flemming's saucily titled baddie, but they've got round to it now, and, as you might suspect, it's an all girl affair. Well, that's OK now and again, and a quick look at the cast list tells this reviewer that the film should be plenty hot enough, even if the only dick in sight's the one I'm desperately tugging.

Things get off to a kinky start, with delectable Eufrat (or Fran, as we call her at Men Only) espies Adrianna Rossi toed to a trunk in the hallway. Without so much as a how-do-you-do she pulls aside her knickers and sits on her face, triggering a red hot 69ing in which each girl really gives the other a good tongue lashing. Then it's toy time, as they plunder each other's pussies for all they're worth! Adrianna gets a good look-in in the next scene, too – a threesome with Viktoria and Antonia that throws a bit of back door action into the mix, with vibes and dildos getting shoved pretty well everywhere they're designed for.

Perhaps unsurprisingly, considering it features Megan Coxxx and Aleska, scene three really cranks things up a couple of gears. The intensity here is bang on, giving the viewer just about everything they could hope for from a lesbo scene. Mind you, the foursome at the end had a lot going for it as well, making this film a must have for lesbo lovers everywhere. **4/5**

DADDY'S SPOILT LITTLE BITCH

Adult Channel Uncut

CAST: Zarina Masood, Megan Coxxx, Candie Luv, Mai Bailey, Jasmine Webb, Kerry Louise, Paige Turnah.

A flick that involves a goodly selection of British cock jockeys putting on posh accents sounds like an interesting prospect, and Megan Coxxx's voiceover adds a nice touch of humour. We kick off with Zarina, a British Asian with a dirty mind and a set of braces giving her a cheeky lisp. She claims to be a good girl, but that doesn't stop her having a threeway lesbo tryst with Megan and hairy nadgered Candie! Next up Megan gets a cock to play with – the one attached to her personal trainer Steve Hooper. She makes fantastic gurgling noises as she noshes him off, then gets a proper work-out as she rides him in reverse cowgirl. She has to share Sensi's cock with Mai after that, but she doesn't seem too put out about it, to be honest. Two more scenes follow, in which Jasmine Webb and Kerry Louise and then Paige Turnah get in on the very dirty act. **3/5**

THE WIDOW

Private

CAST: Black Angelika, Carla Cox, Angelica Heart, Abbie Cat, Anastasia Devine.

Black Angelika's a particularly tasty performer on the porno circuit, but she's playing a bit of a rotter in this one! She kicks off this flick by arguing with some bloke who looks like a snooker referee but who, the breathy voiceover tells us, is really her butler. Then the little minx head upstairs to poison her hubby! Very shabby behaviour, that, but the cops are soon suspicious because she forgot to untie the poor sap after he'd karked. Still, once they've buggered off she can get down to business with Len Ganley – sorry, her butler. There's a bit of anal thrown in, although the camerawork's a bit coy, frankly. She's soon employing her charms on one of the investigating cops, whilst her butler screws one of her chums Angelica in the arse! After that the plot unravels and it turns into a free for all. Some strong sex scenes, but you can't help wondering why they bothered with a story. **3/5**

We couldn't help noticing that Daisy here's got a rather interesting tatt just above her smoo. What's the story, we wondered…?

"I used to go out with a tattooist," she told us, "and it was kind of my birthday present from him. We worked on the design together, and then, well, he set to work. It's the longest I've sat with my legs spread ever, although he did his best to stop it getting too boring, if you know what I mean!"

We can sort of guess – but you're no longer together?

"No. Once I'd had it done I wanted more and more guys to see it, and after a while he got a bit pissed off about that!"

Well we're very grateful you're letting us have a good look at it, so it looks like your ex's loss is every other bloke's gain!

Cindy

Photos: Stephen Hicks

How do you make an already stunning girl look even better? Simple – you get Stephen Hicks to photograph her for you! I've never seen a picture of Cindy Hope I wouldn't happily pore over for ages (preferable on my own in a quiet room, with a supply of tissue paper handy), but once one the industry's top snappers get his hands on her and, well, you can see for yourself!

Isn't it great that we live in a world where girls this stunning are happy to get their fannies out for their fans? Ian Dury might have reckoned that 'being in the nuddy' was a reason to be cheerful, but I reckon it pales next to 'seeing Cindy Hope in the nuddy'!

COMING NEXT MONTH

Well if you think this issue was a good one for boob-lovers, just check out the treats we've got lined up for next month! May we introduce two of the most beautiful breasts in the business, along with their proud owner, Miss Sophie Dee! She hails from Wales, and she's been busy getting up to all sorts of mucky exploits across the pond – and we reckon she'll blow you away! On top of that we've got more home-grown talent in the ever-horny form of Sasha and… well, loads more!

Issue 77.03 on sale March 9th
